of rest and relaxation but on December 5th we're opening the doors and will happily serve as ambassadors of goodwill for this most worthy cause. Women and children in a domestic violence situation truly need our help and I'm so proud of my employees who will willingly donate their time and talents to play a small part in helping those struggling to put their lives back in order."

Bethany House of Northern Virginia, Inc. was organized --- and has as its mission --- to help homeless women and their children who have suffered from domestic violence regain health and dignity and become reestablished in their community by providing temporary housing and support. Commenting on behalf of Bethany House, Cathy Hassinger, Executive Director, said, "All three of our shelters will directly benefit by this kind and generous activity and assist us in our work. We rely on such support from the communities we serve to continue doing what we can to help heal abused women and children. We are most thankful to Tony and his wonderful staff at Salon Antoine for their generosity and the resulting financial support of their efforts!"

A representative of Bethany House will be on hand December 5th to greet customers, discuss the great things Bethany House is doing in the community while also serving snacks and refreshments to Salon Antoine's supportive clientele.

Need a haircut? Want a new style? Would you feel good about helping change the lives of victims of domestic violence for the better as you change your look? Then call and book your visit to Salon Antoine on this very special day of fundraising for such a worthy cause.
